Trade Events in Pakistan: 2026–2027

Upcoming exhibitions and conferences in Pakistan for Canadian buyers, importers and investors, in date order.

Updated 14 October 2026. Every event and date was checked against the organizer's official website; events whose website could not be verified have been left out. "Announced" means dates have been published; "To be confirmed" means the next edition's dates are not yet published, so the month and the previous edition's dates are shown as a guide. Please confirm with the organizer before planning travel.
