Trade Events in Canada: 2026–2027

Upcoming trade shows, conferences and forums in Canada relevant to Pakistani exporters, grouped by the Consulate or High Commission covering each region, in date order.

Updated 14 October 2026. Every event and date was checked against the organizer's official website; events whose website could not be verified have been left out. "Announced" means dates have been published; "To be confirmed" means the next edition's dates are not yet published, so the month and the previous edition's dates are shown as a guide. Please confirm with the organizer before planning travel.

Changes from the earlier calendar: CPMA 2027 and the Canadian Crops Convention 2027 move to Vancouver, SIAL Canada 2027 is in Toronto, and CIM CONNECT 2027 is in Montréal; each is now listed under the matching calendar.
